

Hello Parrish Highlanders,

Hope everyone is taking advantage of our trail systems this year. This sport will give you social distancing a whole new meaning. I can't even see that dust of the ATV in front of me. Trails have taken some impact of the excess of traffic they have seen in the past year or so. Help is coming!! We have our yearly funding for this year on July 2nd. I know Langlade county Forestry has made a list trails and forestry roads to be fixed as soon as possible. Hopefully the rain will slow down and make this possible.

Hope everyone got their email bulletin that was sent out 7-8-2020 about the possible opening Langlade County roads for use of ATV/UTVs. There will be an open meeting to the public on 7-27-2020 on this matter. All ATV clubs of Langlade County will be in attendance. So please attend this meeting, this may be our only chance to be heard on a club level. Show your support of this action, it is your turn to show-up or shut-up. See you on 7-27-2020 at Langlade County Fairgrounds in Antigo, WI in the ice arena at 5pm sharp. Parrish Highlanders, Wolf River Riders, White Lake ATV Club, and Pel-Cho Mudd Nutz need your support.

We are planning on a club meeting August 8th at Parrish Town Hall at 10am. With social distancing & masks if you desire. We will ride after the meeting with lunch outdoors at Gerrits' Lakeview, I will keep you informed via email and Facebook if state changes in regards to Covid19.

Parrish Highlanders & Pel-cho Mudd Nutz are sponsoring a Holiday Cash Raffle. 150 tickets sold, \$50 donation each, with 10 winners from \$1000 to \$100. Need not be present to win. This will be our only fund raiser for our club this season. You may purchase your tickets at our local establishments in Elcho, Summit Lake, Parrish, Post Lake, Pelican Lake, Deerbrook, Jennings. Look for our yellow & black posters for this event also on Facebook. Drawing will be held at Fisher's Bar, Parrish. Wi on Nov 28,2020 at 5pm. Come early to get a good seat & relax with our hosts; Jeremy & Jen Fisher. I also have tickets for sale, call 715-275-3323 or parrishhighlandersatvclub@gmail.com.

Cinder Grade remains closed from State Hwy 17 to the west loop in Oneida County, but you may ride Cinder grade from Langlade County Hwy Q intersection #17 to east loop to Bowman Rd and beyond. Or ride east loop to west loop is open to Cinder Grade, back to Langlade County Hwy Q intersection #17 to Elcho and beyond. I have received many calls & emails on this closure. Some people who buy a map know how to bypass this inconvenient trail closure. Like one caller asked "How can we drain the water so we might be able to ride thru again this year" So if anyone has an idea of how to pump 4ft of water, 300ft wide ¼ mile long call me. And yes, by the way there is no place to pump it to. Sorry for the inconvenience on your ride, for more info call Langlade County Forestry 715-627-6300.

Just to keep you informed, Ice Age Trails are closed to ATV/UTV traffic, not unless marked with brown/white ATV signs. If all you see are yellow markers on trailway, it is an Ice Age Trail. Also bear hunters are out training their dogs, so look for truck traffic on our ATV trails now thru winter. Please slow down when come upon hunters & dogs, they have as much right on theses trails as we do. So, show them respect & it will go a long way in return. Trail maintenance will start soon, so if you are riding Monday-Friday look for trail work in progress. If the trail you are riding on looks newly graded you are heading in the direction of some piece of trail equipment. Make sure the operator sees you before you try to pass. Logging is also on going on our trail system, if you see stacks of logs along side of trail, look for logging equipment.
