

May 2018

Hello Parrish Highlanders,

If you did not know, the Atv trails are closed and did not open as planned May 1st. We planned on having 2 work days before May 1st, April 21 & 28th, due to weather conditions. Tentatively we are looking at May 18th as a trail opener. Lots of work will have to be done to accomplish this date. We have culverts that have washed out & have to be replaced to make the trails safe to ride. Also, trails from Post Lake, WI to Augustyn Springs via Lost Lake Rd will be closed, due to private land owners closer. This is what I always say, "respect the trails you ride on or they may close due to lack of respect". Wolf River riders of Pearson WI, is looking for a reroute, but no luck as of yet, things are looking dim. The good news is our new trail that will open this year from Summit lake to Augustyn Springs will take you to White Lake, WI & beyond. If you have been a member of Parrish Highlanders for the past 6 years, you have heard about a bridge to be built across the Wolf River, in the town of Langlade, WI, township of Wolf River. This winter this bridge was approved by the state for the 2nd time in 8 years. First time it was approved there was a state budget cut in 2012. Now in 2018 it was approved again to be built. Hopefully the bridge will be built to take us across Hwy 55 to join us up with the state trail to UP of Michigan & to the south to Suring, WI and beyond, I will keep you posted as to the progress of this venture. We have waited 15 years so far to make this dream happen, this bridge will be multi-use, snowmobile in winter season, ATV/UTV in spring & late fall, also open to bikers & hikers thru summer & fall months. Thanks to White Lake ATV/UTV Club & Wisc. ORV council this is in the works for the future of ATVers.

Langlade County ATV/UTV trail maps, new maps are in the works for 2018-2020, hopefully we will have them late June, with all the new changes on them.
