Hello Parrish Highlanders,

This our 20<sup>th</sup> anniversary of the Parrish Highlanders ATV/UTV club! It seems like yesterday when I met Frank Trimmel, founder of the Parrish Highlanders. Every year we seem to grow stronger as a club.

As of our last newsletter of 2018 lots has gone on. In November 2018 there was a meeting in Antigo, WI for a bridge over the Wolf River in the town of Langlade, intersection county hwy 64E & State Hwy 55. This project started out when we first started our club as a dream. Now it looks to be a reality. I would like to thank all ATV & Snowmobile Clubs in Langlade County, Forest County, Oconto County, Oneida County & all other of the 300 people who attended to support this bridge project to get to the state trail via Michigan, or to Green Bay. This meeting was to approve a grant from the Wisconsin ORV (off road vehicle) Council for \$400,000. This grant was applied for thru Langlade County Forestry Dept, per Eric Rantala, our county forester. This grant was to fund a bridge across the Wolf River, every thing was in order, even the DNR was in favor of this project. Only our Recreational & Forestry Board of Langlade County in voting in favor of this project grant. But after an open meeting was held in Antigo in mid-November, when we had the support of all clubs & 300 people in favor for this grant to be signed, the Board changed their minds & voted in favor. This project will make some forward progress this year. Permits, trail easements, will take some time, but this will happen. Also, thanks to all who made this possible!

There was an extra amount of snow fall this year, especially the month of February. We received 60+ inches in the Northwoods. Sorry to say our ATV shelter took the toll. The roof collapsed inward & the walls spread outward. This will be an on-going project thru 2019. Forestry has insurance on the structure, hope it will replace the structure to its original integrity.

Trail opening, this depends on snow melt & spring rains & early washouts. We will probably not open May 1<sup>st</sup>. For updated information please call Langlade County Forestry Dept for trail openings 715-627-6300 or go to their web site.

Early trail cleanup if weather allows will be Saturday April 20<sup>th</sup> & Saturday April 27<sup>th</sup>. Call me if you can help 715-275-3323. We will meet at T parking lot on these days at 10am, if we can get out on the trails. The club will provide lunch.

First club meeting of 2019 will be May 11<sup>th</sup> 11am to noon, club ride after meeting.

Fall ride Oct 1<sup>st</sup> thru 3<sup>rd</sup>. We will be in Mercer, WI, we have contacted Dusty Loon ATV Club to guide us around. We have a choice of places to stay. Northern Exposure Nites Inn, 715-476-3586. Eight rooms \$65 to \$85 per night, 4 kitchenettes \$109 to \$145 per night. Also, Cranberry Inn 715-904-8899 eight rooms \$89 per night, seven tiny cabins \$159 per night. Great Northern Hotel eighty rooms 715-476-2440. All of these accommodations are on the trails. Northern Exposure Nites Inn & Great Northern hotel are on the same block, Cranberry Inn is about 1 ½ miles to the north. These are all on Route 51 & have plenty of trailer parking.

Happy Trails,  
*Rus*
